

Watergate East, first of a five-building complex on the banks of the Potomac, near the soon-to-be-built Kennedy Center for the Performing Arts. Truly luxury living, the three apartment buildings are ringed by tiers of balconies with views in all directions. Extra-

large rooms, underground heated garage, acres of landscaped gardens and four swimming pools are just a few of the outstanding appointments which make this Washington's consummate cooperative apartment residence.

They don't skimp on the bathrooms at Watergate East

The luxury cooperative apartments in the new Watergate East complex in Washington, D. C., are fitted with bathroom fixtures Master Crafted by Eljer. Apartments here range from \$20,000 studios to \$235,000 penthouses. At these prices, owners won't settle for average facilities. That's why lavatories, bidets, toilets and baths are Eljer.

Watergate East sets a new standard of residen-

tial luxury in Washington. More than 150 floor plans are available... many of them with terraces up to 129 feet long. The penthouses have roof gardens—bringing suburban greenery to Washington's most elegant city address. Watergate East is for those who have a sublime appreciation of things done well. And Eljer is part of it.
